Matrix and Slip Printer

STAR SP290 Series

High Quality Matrix Slip Printer with Unique 9-Pin Printing

Compact, robust and reliable, the SP290 Series is idea for printing cut sheet media such as pre-printed company branded multi part receipts or forms / cheques.

The SP290 features a high quality print head for printing graphics and special characters as well as AutoSide Loading™ for correct positioning and alignment of forms. The user can simply insert the form and the printer performs automatic document clamping, instant top of form alignment and selectable forward or reverse document eject.

At only 180mm wide x 190mm deep, the SP290 provides a compact alternative to bulky desktop printers at the Point of Sale or in hotels, restaurants or pharmacies.
