

BSH-32U

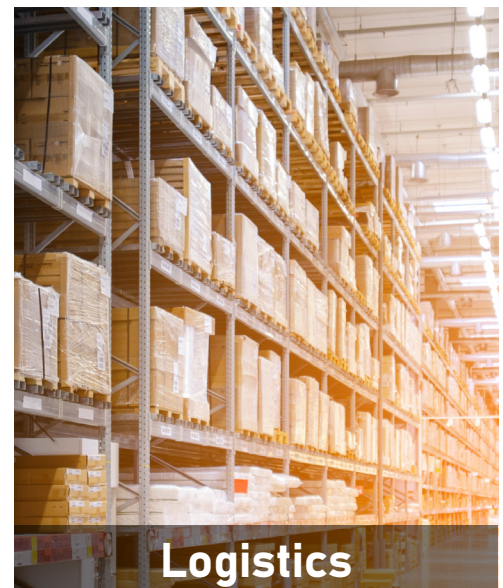

IP42

1.5m
DROP

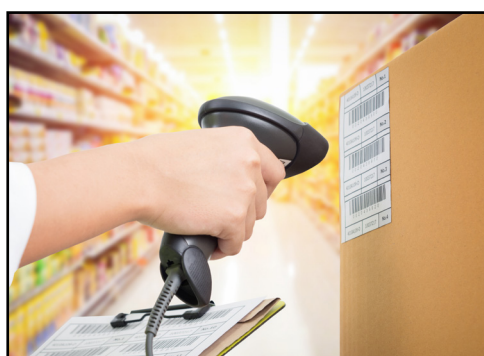

BSH-32U from Star Micronics is a premium handheld USB barcode scanner that combines high performance with sturdy durability. Equipped with a powerful CPU and a super high-resolution image sensor, this scanner excels in various environments, including retail stores, bars and restaurants, event venues, and more. It adeptly reads and parses both 1D and 2D barcodes from paper, digital screens, and uneven surfaces, making it ideal for scanning IDs, driver's licenses, QR codes, and product labels.

BSH-32U is a versatile solution for any business seeking accuracy and efficiency in its scanning operations. Featuring with an IP42-rated, drop-resistant (1.5m) housing for enhanced durability. Available in smooth black and Star-branded, it seamlessly plugs into any point-of-sale (POS) system, including Star Micronics' mPOS product line, the mCollection®.
